ASQ-3 Spanish

Los primeros 5 años de vida de su hijo/a son muy importantes, queremos ayudarle a que su niño/a tenga las mejores oportunidades para desarrollarse sanamente. Queremos invitarlo/a a que utilice los Ages & Stages Questionnaires®, Third Edition (ASQ-3™) (Cuestionarios edades y etapas ASQ-3, tercera edición [ASQ-3™ en español]) para llevar un control del desarrollo de su niño/a. Se le pedirá que conteste algunas preguntas para indicar si su hijo/a puede o no puede hacer ciertas actividades. El cuestionario incluye preguntas relacionadas a las habilidades de su niño/a en las áreas de comunicación, motora gruesa, motora fina, resolución de problemas y socio-individual.

ASQ-3 English

Your child's first 5 years of life are so important, we want to help you provide the best start for your child. You've been invited to participate in the Ages & Stages Questionnaires, Third Edition (ASQ-3), to help you keep track of your child's development. You will be asked to answer questions about some things your child can and cannot do. The questionnaire includes questions about your child's communication, gross motor, fine motor, problem solving, and personal social skills.
