FOR LITTLE  
WANDERERS

Family  
Resource Centers  
Harbor Area

The ASQ's are quick and easy developmental screenings that are designed for children.

The benefit for all children and families is so that parents know which areas they can focus on at home, with their children.

**BY APPOINTMENT ONLY**

This Program is funded by the Coordinated family & Community Engagement (CFCE) grant and awarded to CAPIC by the Massachusetts Department of Early Education and Care.
